HOW IMPORTANT IS WASHING YOUR FACE REALLY?

<h2>ONE</h2> <p>HOW IMPORTANT IS CLEANSING?</p> <p>Removing surface oils and dead skin stimulates the skin's circulation and promotes preventing dehydration, sensitivity, dryness, pigmentation, and congestion.</p> 	<h2>TWO</h2> <p>HOW OFTEN SHOULD YOU BE WASHING YOUR FACE?</p> <p>If you have very dry or sensitive skin, you may only need to cleanse once a day, or twice at night. On the flip side if you have oily skin or are exposed to pollutants, you may need to cleanse more often.</p> 	<h2>THREE</h2> <p>HOW CAN YOU ENSURE YOUR CLEANSER IS AS SKIN-FRIENDLY AS POSSIBLE?</p> <p>Avoid using hot water as this can dry out the skin and opt for gentle cleansers on those with benefits at skin types and concerns. Look for a product that is free from harsh detergents and fragrances as these can strip the skin of its natural oils and cause irritation.</p> 
<h2>FOUR</h2> <p>IS DOUBLE CLEANSING A MUST?</p> <p>Double cleansing can be beneficial for some skin types - especially those with oily or combination skin. The first step involves using an oil-based cleanser to remove makeup, dirt, and excess oil from the surface of the skin.</p> 	<h2>FIVE</h2> <p>IS THERE A SKIN-FRIENDLY WAY TO SKIP A CLEANSER?</p> <p>Some treatments, serums, moisturisers, or night creams applied pre-sleep need to be washed off in the morning before putting on your daytime products and it's also the ideal time to slough off the dead skin cells that your retinol-based products have loosened up too.</p> 	<h2>THANK YOU!</h2> <p>For your attention</p> <p>We hope these tips will help you enhance your skincare routine. Share your results and remember to take time for yourself and your radiance!</p> <p><small>COSMETIC CLINIC</small></p>

Simple Headline Here

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable. If you are going to use a passage of Lorem Ipsum, you need to be sure there isn't anything embarrassing hidden in the middle of text. All the Lorem Ipsum generators on the Internet tend to repeat predefined chunks as necessary, making this the first true generator on the Internet. It uses a dictionary of over 200 Latin words, combined with a handful of model sentence structures, to generate Lorem Ipsum which looks reasonable. The generated Lorem Ipsum is therefore always free from repetition, injected humour, or non-characteristic words etc.

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old.
